Why try to fit a **SQUARE PEG** into a

ROUND HOLE?

HOMELAND AND WAYMARK ARE THE "PERFECT MATCH".

Homeland and Waymark work together to manufacture railing systems.

Waymark's Summit brackets are designed for a "perfect fit" to Homeland's railing profiles. Other companies manufacture their accessories with an oversize corner radius limiting the range of compatibility to other profiles. By combining Homeland profiles with Waymark accessories your caps and brackets will look beautiful and will not stick out as a "piece-together" project.

Systems are tested for ICC Building Code compliance

Homeland and Waymark have invested into the safety of products by extensively testing Deck and Rail systems for International Building Code compliance. This is backed by our Quality Assurance program and third party audits. We believe that your railing project should not be compromised with profiles and accessories that have not been tested as a system.

Homeland and Waymark are color matched

Are you tired of buying accessories from a company that the colors don't match perfectly with your profiles? Waymark products, through quality control systems, are virtually color matched to Homeland's profiles. Your caps, lighting, brackets, lattice, column, post, and spindles will be a perfect color match to all Homeland profiles.

That's why we say, Homeland and Waymark sell systems...not accessories!

HOMELAND VINYL

COMPANY STATEMENT

Homeland Vinyl Products, Inc. is dedicated to delivering high quality products and excellent service to our customers without exception. We understand the importance of our customers' success in the Fence, Deck, Railing and Outdoor Living Products markets. We value our relationships with our customers and pledge that we will operate at the highest level of integrity.

CUSTOMER ACCOUNTS

All customers are required to complete an Application for Trade Account and update it periodically. This application requires the signature of a Corporate Officer, Managing Member, Partner or Owner. Homeland Vinyl Products, Inc. only sells wholesale. Customers are required to provide a copy of their company's sales tax exemption certificate or resale certificate before any sale can be initiated. Customers are further required to provide Homeland Vinyl Products, Inc. updated sales tax exemption or resale certificates upon expiration of the initial certificate provided. Standard terms are payment in full by electronic check, wire transfer, or credit card at time of shipment. Payments can be made at HomelandVinyl.com. Customers requesting credit terms must submit financial information. Credit terms are net 30 days subject to the approval of Homeland® based on financial data provided, credit checks, and payment history. Credit terms are subject to change. Customer accounts outside of agreed terms are subject to being placed On Hold with shipments held until the account is satisfied. Accounts not paid within terms will be charged interest at the rate of 1.5% per month. Prices are subject to change without notice.

PLACING ORDERS

All orders are subject to acceptance and approval. All orders must be submitted in writing by fax or email to Homeland Vinyl Products, Inc. All product orders must be clearly identified by part number, color, detailed description, and quantity. Illegible orders will not be accepted. All orders will be confirmed in writing with the Terms and Conditions of Sale before acceptance. Confirmed orders cannot be canceled without authorization. Please contact a Homeland® Customer Service Representative for additional order information and requirements.

SHIPMENT OF ORDERS / DAMAGE OR SHORTAGES

Homeland® ships products from the factory and from distribution centers. Homeland reserves the right to ship its customers the products they ordered from any location. All prices are F.O.B. point of shipment. The customer is responsible for reviewing all order confirmations for the correct customer shipping address. Homeland strives to find the cheapest reliable shipping method for all orders. Homeland is not responsible for delays in delivery when caused by strikes, fires, accidents, Acts of God, or other forces outside of Homeland's control. Please contact a Homeland Customer Service Representative for your specific needs and additional shipping information.

All shipments received should be immediately inspected by the customer. All dents, tears, breakages, or other visible damage to both packaging materials and products should be noted on the shipping documents with a copy given to the freight carrier and a copy sent to Homeland. Damages or lost product due to shipping must be reported and claimed from the freight carrier. All claims of material shortages or damaged goods must be made within 48 hours of customer's receipt of products.

RETURNED GOODS POLICY

All returns of products must have the prior written approval of an authorized representative of Homeland®, must be for justifiable reasons, and must be within 60 days of receipt of product. Customers requesting to return products must submit in writing in advance of return a detailed list of the materials to be returned, date of purchase, invoice number, and reason for return. Custom and special order items will not be accepted for return. Do not return any items without a return authorization. All returned material must be shipped to the plant location from which the shipment originated. The material must be freight prepaid and include a list of the products returned and a copy of the Homeland return authorization. Returned products must be received by Homeland in same packaging and condition as originally sent and are subject to our Warehouse Manager's count and inspection. **Any credits issued for approved returns will be based on the invoice price of the returned products at time of purchase by customer less a restocking charge of 20%.**

LIMITED WARRANTY

Homeland® warrants that the products we manufacture are free of defects in materials and workmanship. Products distributed by Homeland, but not manufactured by Homeland, are covered under the original manufacturer's warranty. Please contact a Homeland Customer Service Representative for specific information on the warranty of the Homeland products you wish to purchase. Additional warranty information is detailed in the Terms and Conditions on the back of each invoice.

TERMS AND CONDITIONS OF SALE ARE SPECIFIED WITH ORDER CONFIRMATION AND DETAILED ON THE FRONT AND BACK OF EVERY INVOICE.

Quick Tip: Understanding our Homeland part numbers

ITEM KEY EXPLANATION

COLOR CODES

W – White	*Y - Honey Maple*	*D - Adobe*	*Q - Earl Gray*
T - Tan	*O - Mocha Walnut*	*U - Green Teak*	

(See next page for Gray and Beige ordering guidelines)

INVENTORY CODES

F54U	*W*	*064*	*346*
Profile Code	*Color Code*	*Length in Inches*	*Pieces per Bundle*

Refer to profile sheet to obtain the profile code for the product you are ordering.
Always review your order confirmation with descriptions to ensure order accuracy.

When ordering a length that is fractional, use the following list to determine the proper code for the length you require.

1/4" – A	*1/2" – B*	*3/4" - C*	*1/8" - D*
3/8" - E	*5/8" – F*	*7/8" – G*	*11/16" – H*

Example: 64-1/2" would be 64B

18-284- M1135-19A

VMA Certified!

Uncompromising quality. Innovative engineering. Enduring craftsmanship. VMA certified!

These qualities are what make Homeland® profiles exceptional. With any Homeland profile you choose, you can be confident your choice will create a distinctive design signature, and will provide you with many years of low-maintenance, worry-free enjoyment. With decades of experience in vinyl and a rigorous quality control program with third-party auditing through the VMA, you can be assured that Homeland Vinyl Products is committed to providing the very best vinyl products the industry has to offer. With vinyl products from Homeland, you get the quality you expect, and options you could only imagine.

Not all Vinyl Is Created Equal!

Homeland® manufactures the toughest PVC profiles with the most advanced UV protection under the sun, our ACCU-Shield® formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

Homeland's® Natural Selection of Colors

Inspired By Nature, Engineered By Homeland!

Homewood® is Homeland® Vinyl's exclusive blend of colors that can redefine a simple backyard into a beautiful oasis. Our vast pallet of pleasing colors with random variegated patterns are inspired by nature and engineered by Homeland. This unique blend more closely emulates the natural look of wood and will complement any building exterior. Eliminate the exhausting upkeep and usual limitations of wood with a freshly painted appearance that lasts for years.

Available in Homeland's Fence, Deck, and Rail profiles. Mix and match from our Homewood collection to bring a unique style and taste to any backyard paradise.

Our Homewood blends are richer in color and more natural in look than other vinyl offerings.

Declaration of Principles Fence, Deck, and Rail Business

Homeland Vinyl Products, Inc. is committed to the highest standards of quality in its Fence, Deck, and Rail business - both in the products it manufactures and the manner in which its business is conducted. Since Homeland's success is directly linked to the success of its customers, Homeland pledges to develop, fabricate and market innovative and successful vinyl fence, deck, and rail products.

Our commitment to our customers has three major components:

Product Quality
Innovation and Leadership
Customer Service and Support

Through quality, innovation, and an unwavering commitment to customer satisfaction, Homeland Vinyl Products, Inc. is building a secure and prosperous future for itself and its customers.

MADE TO ORDER "MTO" PROGRAM

Some profiles and lengths are only available as "Made To Order" (MTO) and will only be produced as can be reasonably accommodated. Typical requirements for MTO requests are listed below but are subject to change. All MTO requests are subject to Customer Service approval and Production acceptance.

MTO Classification

I. Special Lengths:
Requires a 12 bundle minimum of one profile, one color, and only one length.
No stock. Must ship within 30 days of completion or will be invoiced. Twice yearly max.

II. Proprietary and Exclusivity Profiles:
By special arrangement and typically run no more than once or twice a year.
Dependent upon volume orders. Must ship within 30 days of completion or will be invoiced. No stock.

III. Special and Low Volume Profiles:
Typically run once or twice a year.
Standard lengths and colors only.
No special lengths.

Contact your Homeland representative for information on the MTO program. MTO item requests must be submitted in writing via e-mail or fax. Not all requests can be accommodated.

Customer Account must be in good standing and current before MTO requests will be considered. MTO requests are not accepted until approved and confirmed in writing. Special Terms and Conditions of Sale apply to all MTO requests accepted as orders. Once confirmed, the order cannot be canceled by customer. Orders must ship complete once ready, leaving no back-orders. Your Homeland Representative will try to accommodate reasonable requests, but completed MTO orders must ship within 30 days of completion or will be invoiced. Consult your Homeland representative for additional details.

Minimum purchase quantity required of the same profile and color for all MTO items. Requirements vary. See the attached profile sheets or contact your Homeland representative for additional details.

Lead-times for "Made To Order" items cannot be estimated until requests have been approved and confirmed. Due to in the infrequent running of MTO items, and depending on the item, it may be a number of weeks before an answer on an MTO request can be given. "Made To Order" items may only be produced a very limited number of times per year. Please plan ahead and make any MTO requests as early as possible to take advantage of each production run on MTO profiles.

Details and requirements of this program are subject to change without notice.

FABRICATION GUIDELINES

Homeland Vinyl Products does not warranty bowing of pickets.
Please make sure of proper installation to reduce all of the factors mentioned.

1. Homeland approved metal stiffeners must be used in all rails for the Homewood series of product.

2. Make sure all metal stiffeners are in the correct orientation for the rail as used.

3. Make sure all rails are notched.

4. U-channel trim must be attached to the post using three screws. At top, middle and bottom of the U-channel. This will help stabilize T&G boards.

5. Do not use any clear wrapping or shrink wrap on fence for storage or transportation. Make sure any wrap or protection of the fence or profiles does not absorb and retain heat. It will cause warping.

6. Midrail must be used to reduce T&G bowing, especially on darker colors.

7. Product expansion and contraction is temperature dependent and will vary more in longer lengths and darker colors. Please take this into account during installation.

8. Do not store or install product next to a heat source.

9. Do not instali the product near reflective surfaces (e.g. glass windows and glass doors), which can concentrate sunlight and heat the product.

10. Do not install the product on or adjacent to concrete, asphalt, or dark-colored gravel.

11. Scratches will be more evident in darker colors. Use caution when transporting and installing the Homewood series of products.

12. Make sure rail ends have at least 1 inch clearance of each other when inserted into posts for 6' spans, and at least 1.5 inch clearance on 8' spans. This will allow for adequate expansion and contraction of rails within the posts and prevent bowing.

13. Do not put dirt or mulch against rails. It could cause rails to permanently bow out.

14. CAUTION - Make sure pickets are cut for adequate clearance within the rail pocket to allow for thermal expansion. If the pickets are binding against the rail, they will cause excessive bowing with thermal expansion. When dealing with installation on slopes, ensure that there is adequate clearance for pickets inside of the rail and cut picket at a slight angle if neccessary.

Homeland Vinyl Products does not warranty bowing of pickets. Please make sure of proper installation to reduce all of the factors mentioned.

WAYMARK ACCESSORIES

COMPANY STATEMENT

WAYPOINT®
LOW VOLTAGE LIGHTING

Low Voltage Lighting, High Margin Sales, No Electrician Needed

for Low Voltage Wiring!

The NEW Waypoint® Low Voltage Lighting System from Waymark® is easy to install using our innovative weather resistant connectors! Most components† have both a male and female end allowing you to plug one into the next and so on creating an easy to wire daisy chain lighting system.

Waymark® offers components for posts, decks, rails, stairs and fences as well as extension cords, junction boxes, transformers and splitters to complete your custom installation. No low voltage system is easier to install than Waypoint® Lighting by Waymark®!

Female end shown with plug for weather resistant seal.

POST CAP 4" & 5" | POST SCONCE | 24" STRIP LIGHT INSTALLS UNDER STEPS | STAR BRIGHT IN RAIL LIGHTING | POST CAP SLIM 4" & 5" | DECK STAR-BRIGHT MAX | POST CAPS METAL RAILS | SCONCE FOR METAL POSTS

Availability, specification and profile dimensions are subject to change without notice. Check with manufacturer before ordering. Waymark is a registered trademark of Waymark Products, LLC. Waypoint is an registered trademark of Waymark Products, LLC.
† 24" light strip only has a male end and does not connect to another component.

RediPak Program

RediPak by Homeland Vinyl Products, Inc. offers high quality at a value price. Beautiful, sturdy, strong, and made with top-quality materials. A RediPak fence will stand the test of time and bring you enjoyment for many years to come without the hassle of painting.

RediPak system is just the first step. Add a decorative cap or even Low Voltage or Solar lighting to RediPak fence. Metal and Tiffany Style Tops are also available to add a more elegant appearance.

Features

- High quality material
- Metal reinforced rails
- Tongue & groove pickets
- Routed fence posts
- Concealed fasteners
- White, Tan and Adobe

UPDATES

UPDATES - 10-11-18

ALL POCKETS RAIL – Change 71-1/2” to 70” In all plants except UT!!!

P11 F3P1
UT – Add 94”
FL – Add 94”, 70” Stocked in FL

P12 F3P5
AL – Change 71-1/2” to 70”

P12/21 F32G
AL & NJ- Remove 71-1/2”
AL & NJ - Add 70”
UT – Add 83”
FL – Add 70”, 94”

P13/21 F54G
AL – Add 57-1/2”, 59-1/2”
UT – Add 45”, 55-1/4”
FL – Add 62-1/4”, 16’

P14 F62S
AL – Add 60”, 61”

P17 F83U
FL – Add 10’2” , 58-3/4” (Stocked in FL)

P20 FTG1
AL – Remove 10’ from Catalog

P30/34/45
F24E
NJ – Remove All Lengths

P39 HRX3BRAKA
3” Offset Alumn Mount Bracket
Added X to Part Number,
Added Redesign to name
Added “New” starburst

HRX90RETA
3” Offset 90 Degree Alum Post Return
Added X to Part Number,
Added Redesign to name
Added “New” starburst

HRX134SWMA
Straight Alum Wall Mount
Added X to Part Number, Added Redesign to name
Added “New” starburst
Added New Photo

HRX90INOUTC
90 Degree Inside-Outside Corner
Added X to Part Number, Added Redesign to name
Added “New” starburst
Added New Photo
Changed Box QTY to 24 and Box Weight to 21 lbs

PG 40 HRX6INBKA
Removed 6” from name
Changed 6” to 4-3/4” to cinter line to corner
Added X to Part Number, Added Redesign to name
Added “New” starburst
Added New Photo

HR15BR
1-1/2” Beauty Ring
Added “PVC” to name

REMOVED HR90INCR from Catalog

ADDED 1-1/2” Metal Beauty Ring
Same ID
Change Insert Depth to 1/8”
Add new Pic, Part Number HRX15BRA
Box Qty: 24
Weight: 1 lb

PG 41 HRXESJOIN
External Adjustable Joiner
Added X to Part Number
Added “New” starburst
Added New Photo
Outside Diameter 1.5”
Box Qty: 24
Box Weight: 30 lbs
Stock Colors: W, T, A, BK

P43 F42S
Changed all AL lengths to TN
NJ – Remove all NJ lengths
AL – Add 16’ (Stocked in AL)

F42H
AL – Change AL MTO to TN MTO (CORRECT?)

F43C Changed all AL lengths to TN
NJ – Remove all NJ lengths
AL – Add 16’ (Stocked in AL)

F43H
Remove from catalog

P44 F45S
UT – Add 16’ (Stocked in UT, White and Tan Only)

F57C
AL – Change all lengths to 16’ (Stocked in AL)
NJ – Remove All Lengths
TN – Add 44”, 45-7/8”, 12’, 16’

P45 Added 7/8” x 3” Welded Dog Ear Picket
F57CW45G355-DEC
7/8” X 3” Standard Picket
welded to dog ear Cap
Pcs/Pallet: 355
TN - 44” (Extrusion) + 1” (Cap)
45-7/8” (Extrusion) + 1” (Cap)
