DECK FASCIA PUSH PIN

Always right on the mark!®

- Easily attach Gorilla Deck trim such as F75G "C" Deck Finish or F76G "L" Deck Fascia without unsightly screws. See our install instructions at www.waymarkproducts.com/literature-install.htm
- The color matched Push Pins blend in with the deck and trim
- Available in White, Adobe, Green Teak, Mocha Walnut and Honey Maple
- Unlike screws, Push Pins do not create a depression at the installation point
- The Push Pin design allows for some expansion and contraction of the trim pieces
