

Homeland Vinyl Products, Inc. manufactures the highest quality vinyl components for use in creating beautiful, long-lasting, low-maintenance outdoor products including fence, deck, railing and specialty structures.

Homeland's network of dealers are known for their innovative use of our vast collection of different profiles to create a wide variety of beautiful and durable exterior finished products. These dealers have built their business on discerning homeowners, builders and commercial property owners who want the very best in vinyl structures. They are also recognized for their commitment to Homeland's demanding standards of selection, security and support.

Homeland stands behind our vinyl profiles with an outstanding warranty\* and our personal Homeland Security Alliance Declaration of Principles.

## *Declaration of Principles Fence, Deck, and Rail Business*

Homeland Vinyl Products, Inc. is committed to the highest standards of quality in its Fence, Deck, and Rail business - both in the products it manufactures and the manner in which its business is conducted. Since Homeland's success is directly linked to the success of its customers, Homeland pledges to develop, fabricate and market innovative and successful vinyl fence, deck, and rail products. This commitment to customers has three major components:

### *Product Quality*

- Homeland's products are proudly manufactured in the USA to the highest quality standards.
- Homeland is a recognized leader in the PVC extrusion industry.
- Homeland stands behind its products and provides outstanding warranties\* for its fence, deck, and rail products.

### *Innovation and Leadership*

- Homeland manufactures one of the largest spectrum of UV-stabilized vinyl profiles, including its proprietary decking and railing systems, thereby giving Homeland's customers a diverse selection of profiles to fit their market.
- Homeland is actively involved in the development and enhancement of national standards and building codes for vinyl fence, deck, and rail products.
- Homeland's commitment to the production of new, innovative and proprietary products includes substantial investments in production technology, tooling, and engineering.

### *Customer Service and Support*

- With its extrusion expertise and efficient factory operations, Homeland strives to ensure that every order is filled quickly and accurately.
- Homeland recognizes that its customers work in diverse markets and have different needs, so it strives to meet the unique needs of its customers and help them grow their businesses.
- Homeland values its relationship with its customers, so it will go to extraordinary lengths to help that relationship grow stronger and better.

Through quality, innovation, and an unwavering commitment to customer satisfaction, Homeland Vinyl Products, Inc. is building a secure and prosperous future for itself and its customers.
