

**Not all Vinyl Is Created Equal!**

Homeland® manufactures the toughest PVC profiles the with most advanced UV protection under the sun, our ACCU-Shield® formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

**Don't forget accessories...**

Homeland® and Waymark® work hand in hand to design our products to work as a **system**, from our precision fit designs to our color matching. Homeland and Waymark are "the perfect match" !
