

NOW AVAILABLE!

SECONDARY HANDRAIL

Always right on the mark!®

Many building codes now require graspable secondary handrails on decks and railing projects. The Summit® line is a durable secondary handrail system that is attractive and versatile enough to meet almost any installation challenge.

- Durable, reinforced design
- Attractive and stylish

• Never sacrifice appearance for functionality

- Commercial and residential applications

- Check your local building codes to find what is required.

3" Offset Alum. Mounting Bracket, 90 Degree Alum. Post Return, Straight Alum. Wall Mount, & 6" Inside Corner Mounting Bracket are now available with screw caps for a finished look - no more exposed screws.

**Also available In
Tan, Adobe & Black**

Prior to installation, consult your local building department to address applicable building codes.
