IMPORTANT NOTE FROM HOMELAND MANAGEMENT:

HOMELAND HAS THE COLORS! We offer a full palette of 13 distinctive colors for even your most unique client's customization needs. We are proudly introducing a new color, Aspen Latte to our Homewood Series. We are also adding Dark Gray in privacy fence. Please contact your representative for more details. *Note* Some colors may not be available in all profiles or markets.

We are updating and revising our new 2023 catalog, keeping the interest of streamlining our order process to delivery to your fabrication facilities in mind. Our profile offerings will be reviewed each quarter to ensure we remain in step with your supply needs. This will enable us to keep ahead of manufacturing supply while reducing material lead times. The catalog will be made available online and will be updated with our most current modifications as needed.

We at Homeland Vinyl truly value our relationships with you, our loyal customers. We know the recent years have not been easy, but hopefully we've made it better together with cooperation and compromise. After a fine-tuning of processes on all sides, we're certain of a secure partnership and successful future.

HOMELAND VINYL

COMPANY STATEMENT

Homeland Vinyl Products, Inc. is dedicated to delivering high quality products and excellent service to our customers without exception. We understand the importance of our customers' success in the Fence, Deck, Railing and Outdoor Living Products markets. We value our relationships with our customers and pledge that we will operate at the highest level of integrity.

CUSTOMER ACCOUNTS

All customers are required to complete an Application for Trade Account and update it periodically. This application requires the signature of a Corporate Officer, Managing Member, Partner or Owner. Homeland Vinyl Products, Inc. only sells wholesale. Customers are required to provide a copy of their company's sales tax exemption certificate or resale certificate before any sale can be initiated. Customers are further required to provide Homeland Vinyl Products, Inc. updated sales tax exemption or resale certificates upon expiration of the initial certificate provided. Standard terms are payment in full by electronic check, wire transfer, or credit card at time of shipment. Payments can be made at HomelandVinyl.com. Customers requesting credit terms must submit financial information. Credit terms are net 30 days subject to the approval of Homeland® based on financial data provided, credit checks, and payment history. Credit terms are subject to change. Customer accounts outside of agreed terms are subject to being placed On Hold with shipments held until the account is satisfied. Accounts not paid within terms will be charged interest at the rate of 1.5% per month. Prices are subject to change without notice.

PLACING ORDERS

All orders are subject to acceptance and approval. All orders must be submitted in writing by fax or email to Homeland Vinyl Products, Inc. All product orders must be clearly identified by part number, color, detailed description, and quantity. Illegible orders will not be accepted. All orders will be confirmed in writing with the Terms and Conditions of Sale before acceptance. Confirmed orders cannot be canceled without authorization. Please contact a Homeland® Customer Service Representative for additional order information and requirements.

SHIPMENT OF ORDERS / DAMAGE OR SHORTAGES

Homeland® ships products from the factory and from distribution centers. Homeland reserves the right to ship its customers the products they ordered from any location. All prices are F.O.B. point of shipment. The customer is responsible for reviewing all order confirmations for the correct customer shipping address. Homeland strives to find the cheapest reliable shipping method for all orders. Homeland is not responsible for delays in delivery when caused by strikes, fires, accidents, Acts of God, or other forces outside of Homeland's control. Please contact a Homeland Customer Service Representative for your specific needs and additional shipping information.

All shipments received should be immediately inspected by the customer. All dents, tears, breakages, or other visible damage to both packaging materials and products should be noted on the shipping documents with a copy given to the freight carrier and a copy sent to Homeland. Damages or lost product due to shipping must be reported and claimed from the freight carrier. All claims of material shortages or damaged goods must be made within 48 hours of customer's receipt of products.

RETURNED GOODS POLICY

All returns of products must have the prior written approval of an authorized representative of Homeland®, must be for justifiable reasons, and must be within 60 days of receipt of product. Customers requesting to return products must submit in writing in advance of return a detailed list of the materials to be returned, date of purchase, invoice number, and reason for return. Custom and special order items will not be accepted for return. Do not return any items without a return authorization. All returned material must be shipped to the plant location from which the shipment originated. The material must be freight prepaid and include a list of the products returned and a copy of the Homeland return authorization. Returned products must be received by Homeland in same packaging and condition as originally sent and are subject to our Warehouse Manager's count and inspection. **Any credits issued for approved returns will be based on the invoice price of the returned products at time of purchase by customer less a restocking charge of 20%.**

LIMITED WARRANTY

Homeland® warrants that the products we manufacture are free of defects in materials and workmanship subject to the terms of our published warranties. Products distributed by Homeland, but not manufactured by Homeland, are covered under the original manufacturer's warranty. Please contact a Homeland Customer Service Representative for specific information on the warranty of the Homeland products you wish to purchase. Additional warranty information is detailed in the Terms and Conditions on the back of each invoice.

TERMS AND CONDITIONS OF SALE ARE SPECIFIED WITH ORDER CONFIRMATION AND DETAILED ON THE FRONT AND BACK OF EVERY INVOICE.

Declaration of Principles Fence, Deck, and Rail Business

Homeland Vinyl Products, Inc. is committed to the highest standards of quality in its Fence, Deck, and Rail business - both in the products it manufactures and the manner in which its business is conducted. Since Homeland's success is directly linked to the success of its customers, Homeland pledges to develop, fabricate and market innovative and successful vinyl fence, deck, and rail products.

Our commitment to our customers has three major components:

Product Quality

Innovation and Leadership

Customer Service and Support

Through quality, innovation, and an unwavering commitment to customer satisfaction, Homeland Vinyl Products, Inc. is building a secure and prosperous future for itself and its customers.

FABRICATION GUIDELINES

Homeland Vinyl Products does not warranty bowing of pickets.
Please make sure of proper installation to reduce all of the factors mentioned.

1. Make sure all metal stiffeners are in the correct orientation for the rail as used.
2. Make sure all rails are notched.
3. U-channel trim must be screwed to the post to help stabilize T&G boards.
4. Do not use any clear wrapping or shrink wrap on fence for storage or transportation. Make sure any wrap or protection of the fence or profiles does not absorb and retain heat. It will cause warping.
5. Product expansion and contraction is temperature dependent and will vary more in longer lengths and darker colors. Please take this into account during installation.
6. Do not store or install product next to a heat source.
7. Avoid installing the product near reflective surfaces (e.g. glass windows and glass doors), which can concentrate sunlight and heat the product.
8. Avoid installing the product on or adjacent to concrete, asphalt, or dark-colored gravel.
9. Make sure rail ends have at least 1 inch clearance of each other when inserted into posts for 6' spans, and at least 1.5 inch clearance on 8' spans. This will allow for adequate

expansion and contraction of rails within the posts and prevent bowing.

10. Do not put dirt or mulch against rails. It could cause rails to permanently bow out.

11. CAUTION - Make sure pickets are cut for adequate clearance within the rail pocket to allow for thermal expansion. If the pickets are binding against the rail, they will cause excessive bowing with thermal expansion. When dealing with installation on slopes, ensure that there is adequate clearance for pickets inside of the rail and cut picket at a slight angle if necessary.

In addition to guidelines 1-11, please consider the following information regarding Homewood series of products:

1. Metal stiffeners must be used in all rails for the Homewood series of product.
2. Mid-rail or HVP approved metal picket stiffeners must be used to reduce T&G bowing.
3. Scratches will be more evident in darker colors. Use caution when transporting and installing the products.
