**TURN AN ORDINARY FENCE INTO AN EXTRAORDINARY FENCE WITH WAYPOINT® POST CAPS.**

Waypoint® post caps are the industry's top-selling caps. Take one look at the range of cap options and their superior design, and it's easy to see why. Waypoint® post caps don't simply cap a project, they enhance it. Choose from Glass or Solid caps to transform an ordinary light into something special. The classic profile and three available base colors mean there's a look to fit any project.

Waypoint® post cap tops are durable and easy to install. Simply secure the metal tops to the caps with Waymark glue or use silicone to secure the stained glass caps.

With the Waypoint® program, you can choose your own post cap tops to fit our popular four- and five-inch Classic PVC post caps. From stained glass to metal tops available in copper, black, or stainless steel, our Waypoint® tops offer true design freedom.

**Post Cap Top Options**

**GLASS TOPS - Stained - Filigree**

**SOLID TOPS - Metal Plated - Solid Colors**

**SIZE OPTIONS**

- 4" and 5" tops fit 4" and 5" Classic caps of your color choice
- 3-1/2" adaptor reduces the 4" cap for use on metal posts or wood posts

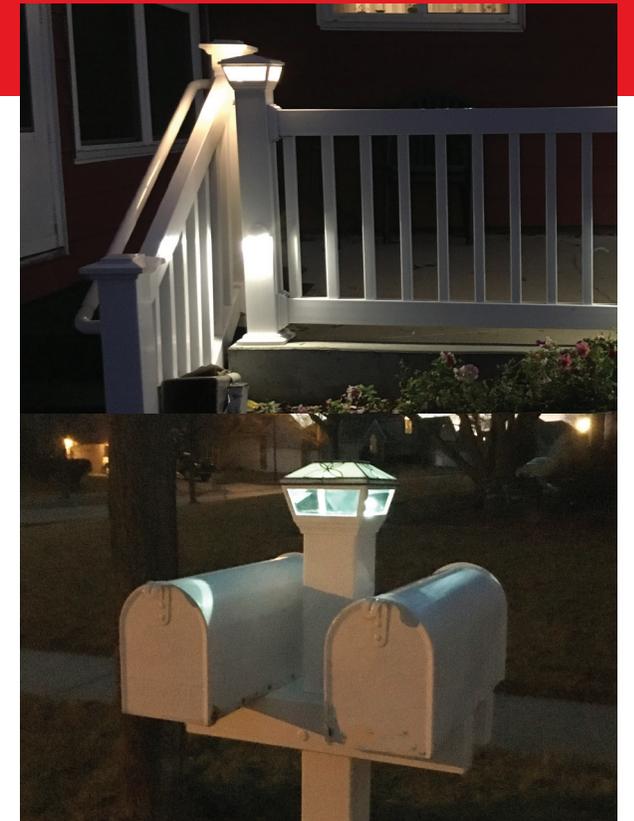

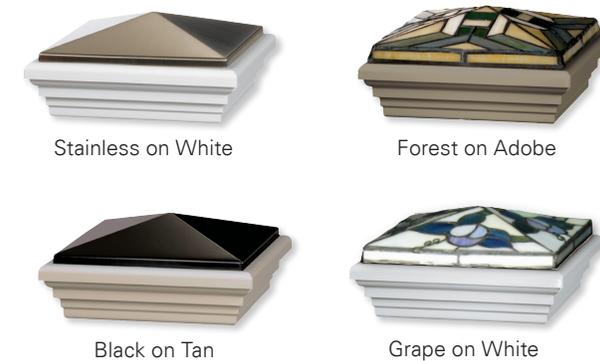

**Classic Cap Options**

**CLASSIC CAP COLOR OPTIONS:**

- Adobe, Tan, White
- \*Other colors available by special order
- Classic caps look great on their own, or with our various topper options, as seen below.

Matching solar post caps and low voltage lighting caps are also available. When integrated with Waypoint® caps, they offer an even higher level of design flexibility. It's that flexibility, plus the attractive styling and unrivaled quality, that make Waypoint® the industry's finest post cap offering.
