

## Homewood® Blend of Colors

Homewood® is Homeland® Vinyl's exclusive blend of colors that can redefine a simple backyard into a beautiful oasis. Homewood offers a vast pallet of pleasing colors with random variegated patterns, inspired by nature and engineered by Homeland. Homewood's exclusive blend more closely emulates the natural look and feel of wood and will complement any building exterior without the exhausting upkeep and usual limitations of ordinary wood, keeping a freshly painted appearance for years.

Available in Homeland's Fence, Deck, and Rail profiles. Mix and match from our Homewood collection to bring a unique style and taste to any backyard paradise.

Homewood Blend of colors are richer in color and natural in look!

The Toughest Protection Under The Sun!

Homeland Vinyl Products is the leader in PVC Fence, Deck, and Rail products in North America. Homeland takes great pride in

providing a rich color pallet that performs better than wood and composites.

Homeland manufactures the toughest PVC profiles with the most advanced UV protection under the sun, with our ACCU-Shield® formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates,

# 50 Years In the Making!

ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

Homeland Vinyl Products, with ACCU-Shield®, takes extra steps to provide the highest quality PVC fence, deck, and rail products you can buy. Homeland backs its products with a limited lifetime warranty. With a half-century of experience in PVC product manufacturing, a proven quality control program and a strong warranty, Homeland's fence, deck and rail products with ACCU-Shield stand ready to provide the best performance and protection under the sun.

Many claim to make a quality PVC product, but you should demand the best product performance and protection under the sun for your investment.
