

Not all Vinyl Is Created Equal!

Homeland® manufactures the toughest PVC profiles with the most advanced UV protection under the sun, our ACCU-Shield® formulation.

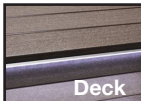

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

Don't forget accessories...

Homeland® and Waymark® work hand in hand to design our products to work as a **system**, from our precision fit designs to our color matching. Homeland and Waymark are "the perfect match" !

Fence

Deck

& Rail

VINYL PRODUCTS, INC.

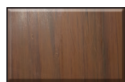

Rich In Color Natural In Look

Homewood® is Homeland® Vinyl's exclusive blend of colors that can redefine a simple backyard into a beautiful oasis. Our vast pallet of pleasing colors with random variegated patterns are inspired by nature and engineered by Homeland. This unique blend more closely emulates the natural look of wood and will complement any building exterior. Eliminate the exhausting upkeep and usual limitations of wood with a freshly painted appearance that lasts for years.

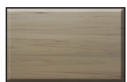

Available in Homeland's Fence, Deck, and Rail profiles. Mix and match from our Homewood collection to bring a unique style and taste to any backyard paradise.

Our Homewood blends are richer in color and more natural in look than other vinyl offerings.
