DECK-OVER STAIR BRACKETS

Deck-Over Stair Brackets

BS235SDO +W, T, A, MW

These Deck-Over stair brackets compliment our Deck-Over level brackets already on the market. The "Deck-Over" style allows for a continuous, over post toprail look.

Packaged 24 kits per box - kits include one up and one down with mounting screws

Available in white, tan, adobe and mocha walnut

Accommodates stair angles between 32° and 38°. The 38° angle allows the deck board to lay flat on the bracket.

Aesthetically pleasing trim covers are marked left and right for easy installation.

Available DIRECTLY from Waymark!
